Attendance

Congratulations to the 107 children in Nursery and School who achieved over 96% attendance this year—this is the target we set for all children so hopefully next year even more will manage to reach that number. And a special well done to the 6 children who managed 100% for the year.

Please remember that we can only authorise term time holidays in exceptional circumstances.

Term dates for the next school year are available on the school website so please check these before you book travel.
