

English

We will be focussing on understanding the difference between fiction and non-fiction, traditional tales and poetry. Within grammar sessions the children will be learning about punctuation and sentence structure.

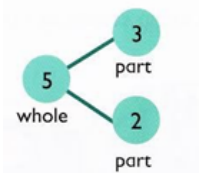

Please hear your child read their book every day and sign the reading record when they have finished reading it.

Maths

We will be focussing on the number system from 0-50 and place value.

We will be focussing on subitising, learning about part whole models, addition and subtraction facts (number bonds to 10 and 20) and shape (2D and 3D shapes).

Marvellous Me & Wonderful Watford

Year 1 Autumn Term

ICT

The children will be learning the importance of 'e-safety' and how to stay safe online.

The children will be focussing on computer skills such as using a keyboard, mouse pad and opening/saving documents. The children will have the opportunity to use both Ipads and laptops to enhance their ICT skills.

Handwriting

This year we will be teaching the children to use lead in strokes. The children will practise sitting their writing on the line, using finger spaces and forming their letters correctly. The children will take part in taught weekly sessions and will be given the opportunity for extra practise every morning.

Topic

The children will be learning about the importance of themselves. They will learn about their bodies and our senses.

We will be looking our local area and the world around us. The children will be learning about the geography and history of Watford. We will be looking at inspirational people associated with Watford such as Graham Taylor.
