

English

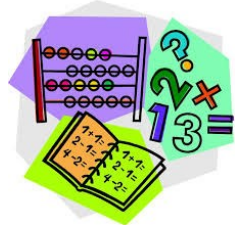

The children will be learning about traditional stories, poetry and chronological report writing. They will be learning how to use different types of punctuation within their writing and how to join their handwriting. They will continue to develop their understanding of nouns, verbs and adjectives.

Please hear your child read their reading book every day and sign their reading record when they have finished reading it.

Maths

The children will be focussing on number problems, multiplication, division, fractions, time, money and measuring. When the children know their 2, 5 and 10 times tables, they will be progressing on to learning their 3 times tables.

The children will be learning about measuring and scaling through weights, length and time.

Home Sweet Home & Fire! Fire! Year 2 Summer Term

Spellings

Spellings will be sent home on a Friday to be tested the following Friday.

Computing

The children will be using a programme called Scratch Junior to programme a Sprite (a character within the programme). The children will use algorithms to make their characters move about. This will be linked to the topic of the Great Fire of London.

Topic

Within our Home Sweet Home topic, the children will be learning about different environments, habitats and food chains.

Within our topic 'Fire Fire!', the children will be learning about the events of the Great Fire of London. Our trip to the Tower of London will be linked to this.
