Accident

Dear Parents / Carers

In spite of numerous reminders about parking near the school, it seems that several parents continue to park dangerously on a daily basis. I am very sad to inform you that this morning there was an accident in which one of our children was knocked over by a car driven by a parent.

On this occasion the child was not seriously injured; however this was an extremely distressing incident for the child and their parent.

This accident has highlighted how the inconsiderate parking and dropping off of children by parents near to the school gate can put children's lives at risk.

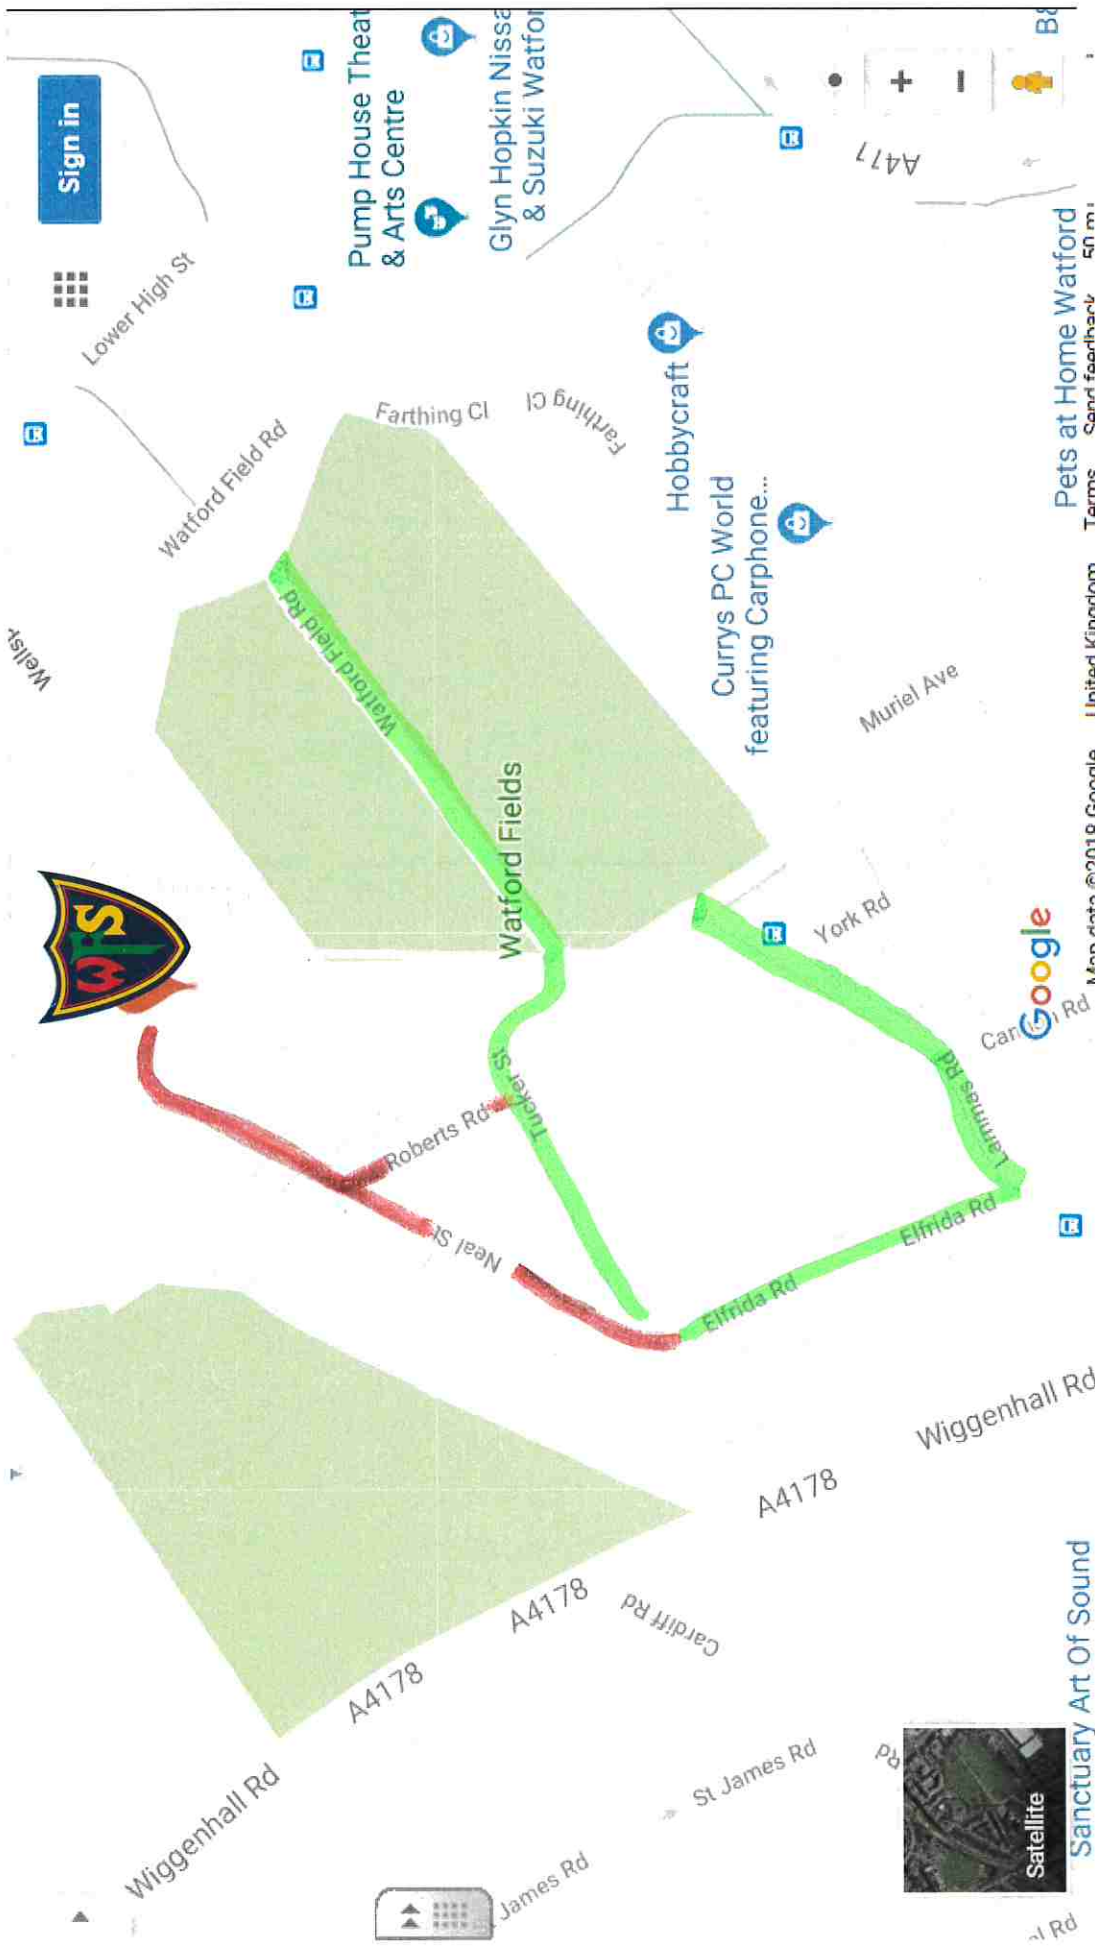

Parents are NOT permitted to park on Neal Street or Roberts Road. This includes stopping to drop children off or turning cars around in front of the school gates. The road signs are clearly visible and need to be adhered to at all times.

- If you have to drive to school, you can park free of charge in the bays on Watford Field Road from 8.40-9am, 11.40-11.55am, 12.25-12.40pm and 3.10-3.40pm.
- You can also park in the permit bays in Lammas Road, Tucker Street and Elfrida Road from 8.40-9am and 3.10-3.20pm. Please see the map on the back of this letter if you are not sure which road is which.
- Please park in bays only – not on the corners of roads where there are double yellow lines as this is extremely dangerous.
- Parents should not use the school car park as this is for staff only. If you have a disability or a medical need to use the car park on occasions, please contact the school office in advance to get consent.
- If a traffic warden or our school caretaker asks you to move your car, please do so **immediately.**

Yours sincerely
