

English

This term we will be focussing on contemporary and traditional stories and instructional writing. Our main focus with grammar is using noun phrases and connectives. We will also be practising exclamation marks and question marks.

Maths

We will be concentrating on the number system from 0-100, addition and subtraction. If you would like to know the method please speak to Mrs Martino. Please practise number bonds and timetables. Remember to play games, such as Snakes and Ladders or Battleships with your child.

London

Reading

Please aim for your child to change their books every Monday, Wednesday and Friday. Please sign their books to say you have heard them read.

Topic—London

The topic this term will be London. The children will be taken more ownership of their learning and exploring historical and geographical facts. They will be using the research centre to explore their enquiries. The children will be set challenges as part of their research.

Timetable

Please help your child practise the 2, 5 and 10 times table and their division facts e.g. $5 \times 2 = 10$ so
