

# Governor News

## Our focus for this year

Improving the outdoor learning environment - this has been identified as an area of the school which needs some love and attention - we are looking forward to seeing new and improved outdoor spaces.

Being more visible in school - we carry out visits throughout the year and attend parents evening and other school events - please come and say hi if you see us!

Supporting the staff to make the improvements identified in the recent Ofsted report.

## Welcome!

We want to say welcome to all new parents & carers and staff to our school. We are looking forward to an action packed fun year!

## What do governors do?

- We are a group made up of people from the local community, parents and staff - all with a wide range of skills and experiences.
- We are responsible for oversight of the school and accountable for its performance.
- We recruit the Headteacher and carry out their performance review.
- We oversee decisions on the school budget and ensure money is well spent.
- We ensure the curriculum is taught to an excellent standard.
- We don't deal with the day-to-day running of the school.
