

Parental Consent for handling animals in school

We have a number of animals in school that are used to teach children about care and responsibility, as well as supporting wellbeing and helping with reading.

Please indicate below whether you give consent for your child to work with, handle and care for the following animals:

Dexter the dog Yes / No

Snuggles the rabbit Yes / No

Branch the guinea pig Yes / No

Does your child have any allergies to any of these animals?
Yes / No

If yes, please give details (i.e. which animals, what the symptoms are of a reaction, what medical treatment the child requires)
