

Governor News

We want to say welcome to all new parents & carers and children to our school.

We hope you are all settling in well and we are looking forward to an action packed fun year!

One of our key focuses for the governors this year is to be more more visible in school - we carry out visits throughout the year and attend parents evening and other school events - please come and say hi if you see us!

What do governors do?

- We are a group made up of people from the local community, parents and staff - all with a wide range of skills and experiences.
- We are responsible for oversight of the school and accountable for its performance.
- We recruit the Headteacher and carry out their performance review.
- We oversee decisions on the school budget and ensure money is well spent.
- We ensure the curriculum is taught to an excellent standard.
- We don't deal with the day-to-day running of the school.
- You can read more about who we are what we do on the school website.

Parent Governor Vacancies

Would you like to join our governing board and help make a difference to our school? Being a parent governor is a really rewarding role, you get to understand and know the school and use your own skills, knowledge and experience to benefit the school and all the children.

If you would like to apply, have any questions or want to know more about the role please get in contact:

New Playground

One of the projects we supported last year was the new nursery outdoor play area. It looks fantastic and is a great asset to the school. We will be concentrating on the rest of the schools outdoor areas over the next few years.
