WHAT WE HAVE BEEN DOING IN SCHOOL THIS WEEK

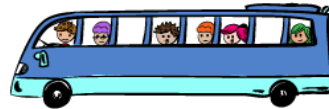

Nursery

This week we have been thinking and talking about all the things our Mummy's do for us and how they help us.

Reception

This week in Maths, we have been focusing on finding 1 less than a number. In PE we imagined that we went on a bus journey and travelled safely around the space pretending we are the drivers or passengers. We have also created our own Mother's day cards trying to show our mummies how much we appreciate them.

Year 1

This week in Year 1, we have started to write our innovated version of Goldilocks and the Three Bears. We have been looking at solving maths problems relating them to the part whole model. In Science, we named and matched some common garden and wild plants. In Art, we mosaicked the background to our Titanic pictures.

Year 2

We have been innovating and writing a shared set of instructions 'How to trap a Goblin, the children have been using some fantastic expanded noun-phrases! In Maths we have been continuing to learn about multiplication and applying their knowledge to word problems. On Friday we celebrated Red Nose Day and discussed the importance of the charity.

WHAT WE WILL BE DOING IN SCHOOL NEXT WEEK

Nursery

We will be developing our Three Little Pig storytelling further trying to add more details and recall the events in order. Through our phonics teaching we are focusing on children beginning to hear words that begin with the same sound eg: mountain/monkey, apple/ant, snake/sun.

Reception

Next week we will be innovating the story The Cat's Breakfast and also we will be introducing activities linked to the celebration of Easter.

Year 1

In English we will continue to write our own versions of 'Goldilocks and the Three Bears'. In Maths, we will be looking at some different types of problem solving. In History, we will looking at the journey that the Titanic took on their fateful voyage and plotting the journey on a map. In Science, we will be identifying the parts of a plant that can be eaten. In Art we will be looking at the use of adding black and white to create different shades of the same colour.

Year 2

English: We will be innovating and writing our own set of instructions

Maths: We are going to be learning about division

Topic: On Thursday we are going to be visited by the local Fire Station

HOMEWORK CHALLENGES

Please spend time with your child to explore this week's challenge. The teachers will talk to the children about what they have learnt at home every Friday.

Nursery:

Enjoy spending time with your mum's this weekend, can you do something kind and helpful for them this weekend.

Reception:

We have noticed the blossom on our trees outside in our garden, can you spot some signs of Spring in the environment and write a sentence about Spring?

Year 1:

Please see this week's spellings and keep trying with the handwriting.

Can you go for a walk and see what plants you can see? What plants can you name? Draw a picture and label the names and the parts. (daffodils, horse chestnut tree, crocus etc).

Year 2:

Next week, we are going to have a visit from the local Fire Station. Can you write five questions you would like to ask the Firemen/women?
