Summer Term Issue 5
Friday 17th May 2024**

Lateness

Please ensure children come into school and nursery on time. We have had several latecomers recently which could result in your child missing valuable learning time.

Language of the month (May):

Albanian

Value of the month:

Respect

A positive feeling or action shown towards someone

Trips

We have sent home letters for the school trips. Thank you for your responses and payments so far. A reminder that payments can be made via cash, cheque or on Arbor. Also a reminder that although the payment for the school trips is voluntary—without sufficient funds the trips may not be able to go ahead. If you have not already paid and are able to contribute please do so as soon as possible.

Please ensure you have let us know your child's lunch requests as we need to let the kitchen know.

WHAT WE HAVE BEEN DOING IN SCHOOL THIS WEEK

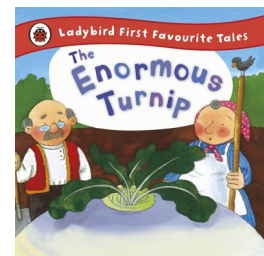

Nursery

We have continued retelling the story of Jack and the Beanstalk we are trying really hard to remember the order of what happens. We have painted, collaged and drew pictures of beanstalks, castles and giants.

Reception

This week we have looked at planting, how to care for our plants and the equipment that we need. We have practised these skills and planted our sunflowers. In Maths, we have continued with finding the missing part by counting on. We have started to write our own version of The Enormous Turnip, by changing the turnip to a different vegetable and also some of the characters.

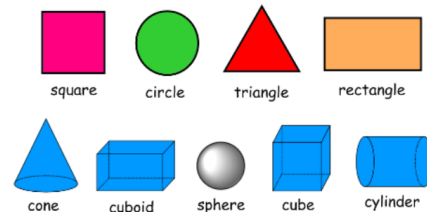

Year 1

This week we wrote our own stories as part of our Hot Task and edited them with an adult. In Maths, we learnt how to twice as many was the same as 2 lots of something. In Geography, we found out what the capital city of Cardiff was like and in Computing, we used given algorithms to program floor robots to see where they would end up.

Year 2

This week we had a 'Healthy Heroes' workshop where we discussed ways to keep our bodies healthy. In Maths, we have been learning about geometry, looking at 2D and 3D shapes and lines of symmetry. In Art, we started to make our wire sculptures

WHAT WE WILL BE DOING IN SCHOOL NEXT WEEK

- Nursery** Next week we will be practising to recognise the number of objects in a small group without physically counting each item. "Looking with our eyes to subitise, what do you see?"
- Reception** Next week we are going to be learning all about snails, we will be reading the snail trail story and doing lots of fun activities linked to snails. In maths we will be starting to look at teen numbers (ten and some more) using a variety of equipment to help us with this.
- Year 1** Maths: look at the language of division through sharing
 English: learn about riddles and write our own animal riddles
 Geography: We will be looking back at the 4 countries and capitals of the UK
 D and T: We will be finishing our final moving pictures.
 PSHE : We will be thinking about how special we all our, and also how our friends are special too.
- Year 2** Next Week:
 Maths: We will be looking at geometry
 English: We are going to be looking at reports (non-fiction)
 Topic: We are going to be continuing to build our model cars

HOMEWORK CHALLENGES

Please spend time with your child to explore this week's challenge. The teachers will talk to the children about what they have learnt at home every Friday.

Nursery:

The beanstalk was very tall. Can you find things in your house that is taller than you and things in your house that is shorter than you? You may like to plant some seeds of your own too.

Reception:

Can you find out any interesting facts about snails? You could write these facts down and bring it in to show everybody.

Year 1:

Please continue with the sound flashcards and phonic videos. Can you create a poster or leaflet about the United Kingdom. What are the 4 countries, capital cities and surrounding seas? Why not teach us some interesting facts about each of the countries?

Year 2:

Homework Challenge: Can you go on a 3D shape hunt around your house- you could take photographs and label the faces and vertices.
