14th April—First Day Back

Language of the month (January):

Hindi

Value of the month:

Perseverance

Whole School Attendance for this year so far: 92.2%

Target for all children: 96%

Safety Corner

Are you concerned about your child using online devices? Are you worried about how much they are on them or what they are able to see? NSPCC have created a Virtual Online Safety Workshop to support parents on how to keep your child safe whilst they are using devices. Your class teacher should have spoken to you about this at the parent meeting. Please copy and paste the link to access the workshop or use the link on our website (under eSafety).

Owls	Muntaha	Mirha
Robins	Nathaniel	Danaya
Squirrels	Muhammad	Anastasia
Foxes	Aahad	Medeea
Kingfishers	Elsa	Hassan
Otters	Brooke	Rishit

WHAT WE HAVE BEEN DOING IN SCHOOL THIS WEEK

Nursery

We have had good fun learning more about the story of Goldilocks and The Three Bears. We have also been identifying and sorting objects using the concepts hard and soft.

Reception

This week, we made gingerbread men and continued working on our story maps and Gingerbread Man story sentences. For our topic, we learnt about famous explorers, such as Scott of Antarctica. In Maths, we continued sorting objects and creating sets.

Year 1

In English, we have been learning about suffixes and understanding when to use plurals and the past tense -ed suffix. In Maths, we have been thinking about the place value of teen numbers when calculating 1 more and 1 fewer. In Science, we have been identifying deciduous and evergreen trees. In Geography, we have been finding out about the countryside and seaside in England.

Year 2

This week in Year 2, we have been incredibly busy and have worked very hard across all our learning. In English, we explored subordinate clauses, evaluated different parts of a story, and discussed the key features of a good tale. In Maths, we have been developing our understanding of subtraction by exploring the expanded method. Our Geography lessons linked closely with Computing, as we used our computing skills to research the fascinating continent of Antarctica. In Computing, we also practised inputting clear instructions to the Earls, developing our coding and problem-solving skills. In PE, we enjoyed learning and practising new yoga poses to improve our balance and flexibility. On Monday, we began preparing for making our vehicles by safely practising how to use a clamp and saw, and we created important health and safety posters to help keep everyone safe during our work.

WHAT WE WILL BE DOING IN SCHOOL NEXT WEEK

Nursery

We will continue to build upon the children's learning connected to Goldilocks and the Three Bears and will be encouraging them to recall and sequence the events in the story. In maths we will be making repeating colour patterns. Can you make some at home?

Reception

Next week, in English, we will be creating our own innovative gingerbread man story maps. We will also be enjoying a variety of penguin stories and labelling the different parts of a penguin. In Maths, we will focus on one more and one less, and continue practicing sorting and categorizing objects into sets where some do not meet any criteria and others intersect by meeting multiple criteria.

Year 1

In English, we will be innovating and writing a new version of the story of The Three Little Pigs. In Maths, we will be looking at doubling and halving to 20. In Science, we will be observing seeds and bulbs and predicting what we think they will grow in to. In Geography, we will be looking at the human and physical features of London.

Year 2

English- We will be innovating our class text together

Maths- We will be using our knowledge of addition and subtraction to solve problems

Topic- In History, we will be using sources to help us understand how the fire happened

School Dinner Menu for week commencing 26th January

Ve (Vegan) V (Vegetarian)	Monday	Tuesday	Wednesday	Thursday	Friday
RED	Beef Burger (v)	Chicken Pie with Gravy	Roast Chicken with Stuffing and Gravy	Quorn Dipper Taco with Sweet Chilli Sauce (Ve)	Fish fillet fingers

PURPLE	Jacket Potato	Jacket Potato	Jacket Potato	Jacket Potato	Jacket Potato
BLUE	Tuna Roll	Cheese Roll (v)	Ham Roll	Cheese Roll (v)	Egg Roll (v)

HOMEWORK CHALLENGES

Please spend time with your child to explore this week's challenge. The teachers will talk to the children about what they have learnt at home every Friday.

Nursery:

This weekend is the RSPB National Bird watching weekend let's all join in. As a family you can simply count the birds you see in your garden, from your balcony or in your local park. If you would like you can register <https://www.rspb.org.uk/> to take part and record the number of birds you spot for one hour between 23, 24 or 25th January 2026. It would be lovely if you can share your photos, tallies, pictures of the birds you spotted with your friends at school.

Reception:

Fact Find. Can you find out about a type of penguin. What makes them different to other penguins ? Here are a few examples:

Emperor

King penguin

[Little penguin](#)

Year 1:

Can you create a fact file about England? Think about the flag, what might we see, the weather or some famous people or landmarks. Create your own or use the separate handout.

Year 2:

Challenge Title: Materials Detective

Explore: Find materials around your home (wood, metal, plastic, fabric)

Investigate: Test one material (Is it waterproof? Bendable? Strong?)

Create: Build something using 2–3 materials (bridge, box, toy)

Share: Explain why you chose those materials
