

WHAT WE HAVE BEEN DOING IN SCHOOL THIS WEEK

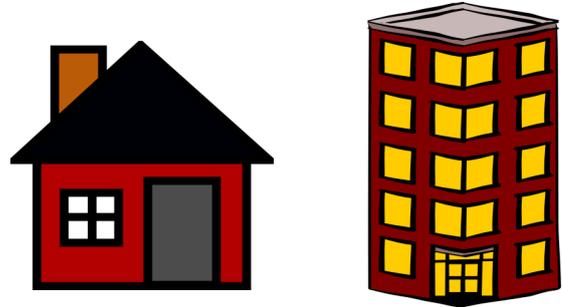

Nursery

This week we have listened to the story Brown Bear, Brown Bear. We have been looking at the animals that were seen in the story and we have been using our eyes around the room looking for things that are different colours.

Reception

This week the children have been thinking about houses and their features and discussing where we live and which type of home we live in.

Year 1

In English, we looked at how to correctly construct a sentence with nouns and verbs and capital letters, finger spaces and full stops using our text of Honda's Surprise. In Maths, we used our knowledge of the sequence of number to order numbers and place them on a number track. In Geography we went on a small local walk to look at the location of our school in relation to the field and spotting human features, like school, shop and houses. In PSHE we thought about how facial expressions can portray our emotions and how they fit in with our zones of regulations.

Year 2

We have been exploring the use of commas and expanded noun phrases in our writing. In Maths, we have been focussing on regrouping our tens and ones. We practised our cutting skills in D&T.

WHAT WE WILL BE DOING IN SCHOOL NEXT WEEK

Nursery

We will continue with the story Brown Bear, Brown Bear and will practise joining in and helping our teachers to tell the story. In our maths learning we will be matching and sorting different colours and focusing on the vocabulary the same and different.

Reception

Next week we will be introducing the story of Goldilocks and the Three Bears, we will be acting it out, creating a story map and discussing all of the characters.

Year 1

In English, we will be writing an innovated version of 'Handa's Surprise' by changing the character to ourselves and the foods in the basket. In Maths, we will be unpicking the part whole model and finding out how the parts are added to make the whole. In Geography we will be looking at the physical features in Watford the rivers and the woods and the hills and valleys. In PSHE we will be thinking about how we should be proud of ourselves and how our teachers are proud of us. In Art we will be learning about different types of line.

Year 2

Maths: We are going to be focussing on place value
English: We are going to be working together to innovate our class story
Topic: We are going to be focussing on Europe

| BLUE | Tuna Roll | Cream Cheese Sandwich (v) | Cheese Baguette (v) | Ham Sandwich | Egg Roll (v) |

HOMEWORK CHALLENGES

Please spend time with your child to explore this week's challenge. The teachers will talk to the children about what they have learnt at home every Friday.

Nursery:

This week at home you might go on colour walks. For example, on your way to Nursery spot and point to everything that is red. What did you see? Or when at home complete a 1 minute challenge how many blue things can you collect from around the house before the timer stops. Don't forget to encourage your child to tidy up. Can they put everything away before the 1 minute timer finishes too!

Reception:

Can you have a look around your home and find an object which is big, medium and small, can you draw the objects or make a list?

Year 1:

Can you start having a go at learning to read and write some of our Year 1 Common Exception Words? (see handout).

Year 2:

Your homework is to look at the BBC 500 word challenge and create your own 500 word story. <https://www.bbc.co.uk/teach/500-words>

COMMUNITY NEWS

THE TAYLOR TREK

Be part of the legacy. **15 OCT '23**

Cross the finish line at Vicarage Road Stadium in this charity walk around Watford and surrounding areas, in honour of the man who started it all.

Join us as we explore the key sites of Graham Taylor's Hornets history whilst raising vital funds for a charity close to his heart.

20% discount in the Hornets shop on the day of the Trek - just flash your medal at the counter!

Runners for the second year, this unique event will bring together Watford FC fans, legends, supporters, Trust beneficiaries, and families. So, whether you take on the full challenge, medium route, or join the family route, be part of the legacy and raise funds for the Trust.

Routes & Distances

- Challenge Route = 18.5 miles
- Medium Route = 8.5 miles
- Family Route = 3.5 miles

*Routes may be subject to minimal changes.

Registration fee:

- £25 for adults
- £10 for under 18s
- £60 for a family of 4

For more information and to register now, visit:
