

WHAT WE HAVE BEEN DOING IN SCHOOL THIS WEEK

Nursery

We have been looking more closely at some of the animals found on a farm, we have focused on their features and have been learning how to draw cows, pigs and sheep in more detail. Can you remember what their babies are called? We have also been amazed by the quality of model making and skills children are developing within our construction area, some very complex models have been made this week.

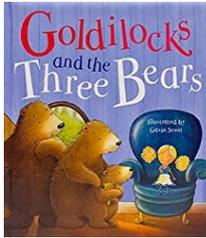

Reception

This week we read 'Mr Wolf's Pancakes' to introduce Pancake day. We discussed our favourite pancake toppings and wrote shopping lists of our ingredients. On Thursday we enjoyed World Book Day by dressing as book characters and sharing our favourite stories. We have also had lots of fun completing an obstacle course by following directions.

Year 1

This week in Year 1 we explored a crime scene introducing our new text 'Goldilocks and the Three Bears', where we predicted what we thought had happened. In Maths, we looked at the language of equality and balance, where we had to make ways of making equivalent values to 20. In Science, we identified the parts of a flowering plant. We enjoyed World Book day discussing our favourite characters and books and had a go at making a lever mechanism with the wolf blowing the straw house down!

Year 2

This week in Maths we have been exploring doubling and halving and started to explore the language of multiplication and division. In English we have been learning about grammar and been using conjunctions and suffixes. In D&T we designed the packaging for our 'Super Salads'. Thursday was a very exciting day, World Book Day. It was lovely to see the children dressed as their favourite character.

WHAT WE WILL BE DOING IN SCHOOL NEXT WEEK

- Nursery** Next week we will be focusing on the story called The Three Little Pigs (we hope you liked our World Book Day costumes!) we will be looking at the materials they used to build their houses and will be recalling what happens in the story.
- Reception** We will be reading Mrs Armitage on Wheels and designing our own dream bikes. We will be learning about the different road signs and what they mean. In maths, we will be introducing ordering and estimating numbers.
- Year 1** Next week, we will be getting to know our text by unpicking the character of Goldilocks and answering questions based on our comprehension of the story. In Maths, we will be unpicking problems to work out if we need to work out the whole or a part to 20. As part of our history, we will be having a virtual visitor dial in all the way back from 1912, Captain Smith! In Science, we will be seeing if we can identify any plants that have started to grow in a school environment.
- Year 2** **English:** We will be innovating a set of instructions
Maths: We are going to be learning about multiplication
Topic: We are going to be making our 'Super Salads'

BLUE	Cheese Baguette (v)	Chicken Mayo Wrap	Tuna Sandwich	Ham Roll	Egg Roll (v)
DESSERT	Pear Crumble & Chocolate Custard	Fruit Wedges	Cherry Pancakes	Fresh Fruit Jelly	Banana Bread

HOMEWORK CHALLENGES

Please spend time with your child to explore this week's challenge. The teachers will talk to the children about what they have learnt at home every Friday.

Nursery:

Look at your home from outside, what do you notice? Look out for features such as doors, windows, bricks, chimney and the roof. What shapes, colours and materials do you see? Can you draw a picture of your home? Can you compare your home with a different home?

Reception:

Can you draw and label a vehicle with wheels?

Year 1:

Can you choose an object and find out if they had it in 1912? How has that object changed over time? Has it changed material? Has it changed how it works? Has the size changed?

Year 2:

Using the template sent home, we would like you to write a book review about your favourite book. Tell us what you like about the book, what you don't like and why.

COMMUNITY NEWS

CRAFT STASHBUSTER SALE

COMMUNITY LEARNING PARTNERSHIP
ST MARTIN'S, MUIRFIELD ROAD,
SOUTH OXHEY, WD19 6JD

SATURDAY 4TH MARCH 2023
12PM TO 3PM

WE WILL HAVE PLENTY OF STALLS WHERE
CRAFTERS WILL BE SELLING THEIR SURPLUS ARTS &
CRAFTING SUPPLIES INCLUDING FABRIC, YARN,
PAPER CRAFTS, FELTING SUPPLIES & MORE
COME & GRAB A BARGAIN OR TWO!
