

**Watford Field School (Infant & Nursery)**  
**PE and Sports Premium 2021/2022**

**Funding for 2021/2022 - £17,200**

The Government provides additional funding for Physical Education (PE) and sport in schools. This funding is to be used to improve the quality and breadth of PE and sport provision resulting in increased numbers of pupils developing healthy and active life styles.

Watford Field School has received plus £16,000 an extra £10 per pupil in Year 1 and Year 2 and will be used to ensure PE and sport is at the heart of school life to raise achievement for all young children

Academic Year 2021-2022		Total fund allocated £17,200			
PE and Sport Premium Key Outcome Indicator	School Focus/ Planned Impact	Funding	Evidence	Actual Impact	Sustainability/ Next Steps
The engagement of all pupils in regular physical activity – kick starting healthy active lifestyles	Lunchtime Sports Coaches to introduce more varied team game activities such as basketball, hockey and cricket. This will ensure pupils are experiencing a range of sporting opportunities and will improve their skills in being part of team.	Sports Coach 1hr every lunchtime £5,510	Pupil engagement in sporting activities increased.  Children learn new games to play with their friends.  Pupil voice	Children feel that they can join in with different sports depending on their passion/interests. Chn are now working better as a team and have learnt new skills for different team games.	Continue to implement a variety of team games during lunchtimes, possibly link to six super sports to provide children with an opportunity to rehearse skills learnt.
	Our new sports partnership Three Rivers and Watford delivered sessions to the chn based around 'play leaders' and how to encourage all chn to play a variety of differentiated games. This will ensure the chn will know games to keep themselves active when outside. They also delivered Healthy Heroes sessions to the children, explaining why it's important to keep active and maintain a healthy life style.	Cost of a yearly membership: £1,000	Pupils were playing more active games in their year group bubbles and were seen imitated games they were taught by the coaches.  The chn reflected on their learning from the Sports coaches during Science sessions based around healthy living and eating.  Pupil voice	The chn are able to start their own games on the playground at lunch times and break times.  The discussion with the Sports Coaches based around healthy eating and healthy living lead into discussions about healthy eating within lunch boxes etc and the children were making healthier choices with their eating habits.	Continue to use the workshops included in the Three Rivers and Watford partnership. They offer play buddy training, healthy heroes training and multi skills workshops. We utilise these every year and they are very useful for the children and adults alike.

The profile of PE and sport being raised across the school as a tool for whole school improvement	This year we have asked Superstar Sports to return due to their popularity amongst the chn and staff. EYFS and KS1 have Superstar sports on a weekly basis. The chn take part in learning the skills for a different sport each half term e.g. basketball and handball.	£5,908	<p>The chn are thoroughly enjoying the interaction and sessions with their Sports coaches. The chn are learning new skills and have access to sports they may never encounter outside of school.</p> <p>The chn who are being taken for gross motor skills have made progress with their skills from their starting points.</p>	The chn have experienced sports that they may not get the opportunity to practise outside of school. The chn have built excellent relationships with the coaches as their presence in school is not only in PE lessons but also at lunch time as lunch time staff too. This has raised the profile of PE and sport as a subject at our school.	For the next academic year, we have decided to continue our partnership with Superstar Sports. All classes will have sessions weekly with the coaches and we are also going to continue using Superstar Sports at lunchtimes too.
	Class teachers to be fully embedding GetSet4PE into their PE lessons. This programme provides easily accessible lesson plans ready for teachers to download and also provides 'active blasts' that teachers can complete with children during the day as brain breaks if needed.	£340 per year	<p>Staff have access to high quality teaching and learning resources and are implementing them into PE lessons.</p> <p>Lesson observations</p> <p>Pupil voice</p>	Most teachers feel confident in using GetSet4PE and are annotating their planning to show lesson evaluations and pupil progress within lessons.	We are going to continue to consolidate using the GetSet4PE programme. Staff feedback and pupil voice feedback has been excellent.
Increased confidence, knowledge and skills of all staff in teaching PE and sport	Through our Sports Partnership, the class teachers will have the opportunity to have sessions modelled to them with their classes. PE Subject Leader to attend the PE Conference sharing key information on PE and sporting opportunities with the whole team.	School Sports Partnership – £ 1000	<p>Staff have access to high quality teaching and learning resources and are implementing them into PE lessons.</p> <p>Lesson observations</p> <p>Pupil voice</p>	Staff will feel more confident in viewing lessons taught by a coach. During these sessions the coach not only teaches the children but also models good PE teaching and skills for the class teacher watching.	Consult with staff and evaluate the provision that has been provided through Three River and Watford Schools Sports Partnership.
