

**Watford Field School (Infant & Nursery)
PE and Sports Premium 2023 - 2024**

Funding for 2023 – 2024 = £17,780

The Government provides additional funding for Physical Education (PE) and sport in schools. This funding is to be used to improve the quality and breadth of PE and sport provision resulting in increased numbers of pupils developing healthy and active life styles.

Watford Field School has received £16,000, plus £10 per pupil, plus an extra £5 per pupil in Year 1 and Year 2 and will be used to ensure PE and sport is at the heart of school life to raise achievement for all young children

Academic Year 2023 - 2024		Total fund allocated £17.780			
PE and Sport Premium Key Outcome Indicator	School Focus/ Planned Impact	Funding	Evidence	Actual Impact	Sustainability/ Next Steps
The engagement of all pupils in regular physical activity – kick starting healthy active lifestyles	Lunchtime Sports Coaches to introduce more varied team game activities such as basketball, hockey and cricket. This will ensure pupils are experiencing a range of sporting opportunities and will improve their skills in being part of team.	Sports Coach 1hr every lunchtime £31.90 Total: £6061	Pupil engagement in sporting activities increased. Children learn new games to play with their friends. Pupil voice	Children feel that they can join in with different sports depending on their passion/interests. Chn are now working better as a team and have learnt new skills for different team games.	Continue to implement a variety of team games during lunchtimes, possibly link to Super Start sports taught PE lessons to provide children with an opportunity to rehearse skills learnt.
	Our sports partnership Three Rivers and Watford delivered sessions to the chn based around 'play leaders' and how to encourage all chn to play a variety of differentiated games. This will ensure the chn will know games to keep themselves active when outside. They also delivered Healthy Heroes sessions to the chn, explaining why it's important to keep active and maintain a healthy life style.	Cost of a yearly membership: £275	Pupils were playing more active games and were seen imitating games they were taught by the coaches. The chn reflected on their learning from the Sports coaches during Science sessions based around healthy living and eating. Pupil voice	The chn are able to start their own games on the playground at lunch times and break times. The discussion with the Sports Coaches based around healthy eating and healthy living lead into discussions about healthy eating within lunch boxes etc and the children were making healthier choices with their eating habits.	Continue to use the workshops included in the Three Rivers and Watford partnership. They offer play buddy training, healthy heroes training and multi skills workshops. We utilise these every year and they are very useful for the children and adults alike.

<p>The profile of PE and sport being raised across the school as a tool for whole school improvement</p>	<p>This year we have asked SuperStar Sports to return due to their popularity amongst the chn and staff. EYFS and KS1 have SuperStar sports on a weekly basis. The chn take part in learning the skills for a different sport each half term e.g. basketball and handball.</p>	<p>£9,637.56</p>	<p>The chn are thoroughly enjoying the interaction and sessions with their Sports coaches. The chn are learning new skills and have access to sports they may never encounter outside of school.</p> <p>The chn who are being taken for gross motor skills have made progress with their skills from their starting points.</p>	<p>The chn have experienced sports that they may not get the opportunity to practise outside of school. The chn have built excellent relationships with the coaches as their presence in school is not only in PE lessons but also at lunch time as lunch time staff too. This has raised the profile of PE and sport as a subject at our school.</p>	<p>For the next academic year, we have decided to continue our partnership with SuperStar Sports. All classes will have sessions weekly with the coaches and we are also going to continue using SuperStar Sports at lunchtimes too.</p>
	<p>Class teachers to continue to fully embed GetSet4PE into their PE lessons. This programme provides easily accessible lesson plans ready for teachers to download and also provides 'active blasts' that teachers can complete with children during the day as brain breaks if needed.</p>	<p>£340 per year</p>	<p>Staff have access to high quality teaching and learning resources and are implementing them into PE lessons.</p> <p>Lesson observations</p> <p>Pupil voice</p>	<p>Most teachers feel confident in using GetSet4PE and are annotating their planning to show lesson evaluations and pupil progress within lessons. Pupil voice taken from the children has emphasised how much the children enjoy the sessions.</p>	<p>We are going to continue to consolidate using the GetSet4PE programme. Staff feedback and pupil voice feedback has been excellent. Next year, we need to make more use of the assessment tools to ensure that staff and children are aware of next steps.</p>

	PE subject leader has purchased a new set of the advised sized balls for PE (size 5). These are for indoor and outdoor use for PE only.	£33.97 per pack of 12. 3 packs ordered; total of £101.91	Staff will utilise the the balls to teach PE lesson with during their GetSet4PE unit. The children will be able to independently get out the balls, use them and place them back into the bag.	Ensuring that we have the correct equipment for the children is essential in order for them to access their PE learning. Ensuring that there is a ball each means that the children are not waiting for a turn and utilising their PE time fully.	We are going to continue to use these balls however, when taking part in outdoor PE lessons, caution needs to be taken as there are some balls missing. As a further action some more will need to be used.
	Additional PE resources and equipment will need to be purchased to replace old equipment.	£1049.53	The PE subject leader will ensure that there is adequate PE resources to be able to deliver PE lessons and for lunchtimes to ensure children are active	The school has the correct resources in order to deliver Get Set 4 PE and the Superstar Sports PE sessions.	Ensure that there is adequate PE resources available to deliver PE and Sports sessions.

Increased confidence, knowledge and skills of all staff in teaching PE and sport	Through our Sports Partnership, the class teachers will have the opportunity to have sessions modelled to them with their classes. PE Subject Leader to attend the PE Conference sharing key information on PE and sporting opportunities with the whole team.	School Sports Partnership – £275	Staff have access to high quality teaching and learning resources and are implementing them into PE lessons. Lesson observations Pupil voice	Staff will feel more confident in viewing lessons taught by a coach. During these sessions the coach not only teaches the children but also models good PE teaching and skills for the class teacher watching.	Consult with staff and evaluate the provision that has been provided through Three River and Watford Schools Sports Partnership.
