

March 2021

Dear Parents,

MILK – Summer Term 2021

If you would like your child to have milk next term the cost will be **£19.80**. If you have already paid for milk for the Spring Term you will only need to pay **£8.10** for your child's milk as we will carry forward the payment made for the period the school was closed.

Children who receive Pupil Premium funding are eligible to have milk free of charge - if this is the case please still complete this Milk Form. If your circumstances have changed and you are receiving benefits, your child may be eligible for Pupil Premium funding – please ask for a form at the school office. This term all Reception parents will need to pay for milk unless your child is eligible for Pupil Premium funding.

Payment Type	<u>Due to Covid restrictions we are not able to accept cash or cheque payments at present.</u>
Debit or Credit Card only	Payments can be made at www.schoolgateway.com or via the app on your smartphone/tablet. Once you return the form we will add your child's name to the app so you can pay for their milk.

The closing date for requesting milk is **Monday 22nd March 2021**. All forms must be returned to the office by this date. ***Late orders cannot be processed as we have to place the school order in advance.***

If we do not receive a form then we cannot place an order.

Please note that we are required to inform you that school milk is being provided at reduced prices as a result of an EU subsidy and that milk is good for you. We are not able to issue refunds in the event that children are absent from school.

Yours sincerely,

Mrs N. Selby
