Nursery

Wednesday 23rd July—Last day of term for
school, finish at 1.10pm

Safety Corner

As you are aware, the school has been trying to raise money for playground equipment are very grateful to all of you who have donated. We have noticed that on Fridays, after school, there are lots of ice pop wrappers that have been left in the public park or on the roads near to the school. We would like to continue with the Freeze Pop Fridays until the end of term, however, we may need to reconsider this if our local community is going to be littered by the children who attend our school. Please may your child puts their wrapper in a bin or take it home with you.

Language of the month (July):

Arabic

Value of the month:

Reflection

This Week's Learnersaurus Awards

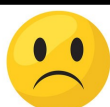

Nursery	Muhammad	Fatima
Nursery	Hoorulain

Nursery starts at 8.30am (morning / all day) or 12.30pm (afternoon) - please arrive on time as it's just as important for Nursery as School to be punctual!

WHAT WE HAVE BEEN DOING IN SCHOOL THIS WEEK

<p style="text-align: center;">Nursery</p> <p>This week in nursery, we were learning all about firefighters, we have been talking about what firefighters do and how they help keep us safe. We have read stories and watched some video clips. The children were role playing by creating fire engines, using hoses, and dressing up in helmets and pretending to solve emergencies. Rescuing cats from trees was a particular favourite.</p> 	<p style="text-align: center;">Reception</p> <p>This week on the writing and creative tables the activity was quite open ended to give the children the chance to show and use what they have learnt so far this year. In the Maths investigation area the children had the chance to count in tens. In the book and cosy area the children had a chance to look at Non-fiction & fiction books about farm, animals and animal care.</p>  
<p style="text-align: center;">Year 1</p> <p>This week in Year One we celebrated Titanic Day, the children fully immersed themselves into the experience and had such a wonderful day. We were impressed by all of the children's wonderful outfits, so thank you! In English, the children have worked so hard to write their own versions of a recount. In Maths, we have been continuing to review numbers to 20 through worded problems.</p> 	<p style="text-align: center;">Year 2</p> <p>This week we have had lots of fun creating our group projects. We designed an imaginary island in teams, decided the name of the island, where it was in the world and its climate. We began to design the island, deciding it's human and physical features such as mountains, volcanoes, beaches and shops. We had a brilliant time on our trip to Whipsnade Zoo and the children behaved amazingly. We learnt lots about animals and their habitats.</p> 

WHAT WE WILL BE DOING IN SCHOOL NEXT WEEK

Nursery	Next week we will focus on the role of a dentist and how we need to take good care of our teeth and an optician and how they help with our eyes. We will be reading and retelling the story 'Picnic' by John Burningham and when playing we will be creating our own imaginative journey and having pretend picnics. What would you take on a picnic? Where would you go?
Reception	Next week they will look together at photos of their time in Reception. They will talk about some of the favourite times they have had. They will look at some photos of their time in Reception and they will put them in order to create a timeline. Next week we will continue our theme of animals. On the writing and creative tables the activity will be quite open ended to give the children the chance to show and use what they have learnt so far this year. We will also be playing with Farmer Duck stick puppets and retelling the story.
Year 1	English- we will be having a Poetry week Maths- we will be reviewing all of our learning from Year One and completing a quiz. Transition- we will be visiting our new classroom with our new Teachers on Wednesday 9 th July.
Year 2	Next week we will be continuing with our island projects. We will be thinking about the historical aspects of our island such as whether they have a royal family etc. We will be adding the final touches to our island designs ready to present our island to other teams. We will also be visiting the Junior school.

School Dinner Menu for week commencing 07/07/25

PURPLE	Jacket Potato	Jacket Potato	Jacket Potato	Egg Sandwich	Jacket Potato
BLUE	Tuna Roll	Cheese Spread Sandwich	Ham Roll	Tuna Sandwich	Egg Roll (V)

HOMEWORK CHALLENGES

Please spend time with your child to explore this week's challenge. The teachers will talk to the children about what they have learnt at home every Friday.

Nursery:

Talk to your child about different people who help us (e.g., nurses, firefighters, bin collectors, teachers, vets). Ask your child to choose one helper they'd like to learn more about. Create a picture or model of someone who helps us in our community. Talk about what they wear, what tools they use, and how they help us.

Reception:

Can you write about a favourite memory from your time in Reception? Can you join a picture to go with your memory?

Year 1:

On Wednesday you will be performing your end of year play to your grown-ups, please can you practice your lines one last time in a big clear voice.

Year 2:

Can you write a recount of our trip to Whipsnade Zoo? What happened first? Next? After that? What was your favourite part? Try to use adjectives and expanded noun phrases to add description to your recount.

School Contact Details

Telephone
Email (School Office)
Email (Absence)
