WHAT WE HAVE BEEN DOING IN SCHOOL THIS WEEK

Nursery

This week we have continued to talk about how different people help us. In maths we have been matching and ordering numbers.

Reception

This week, we have started our hot task writing of the 'Farmer Duck' story and the children have done some great writing. In Maths, we have been using the hundred square to count in 10's and 2's, looking at the number patterns we notice. Both Owls and Robins class had their class assemblies, they were all amazing and we are all so proud of them all!

Year 1

This week in English we innovated our non-fiction text to a country in the UK. In Maths we compared numbers to 20 with addition and subtraction. In PSHE we thought about our year in Year 1. In History we looked at what lessons we learnt from the events of Titanic. We enjoyed sharing our Year 1 learning with you in our class assemblies and have also spent some time in our new classrooms and started to think about what Year 2 might be like!

Year 2

This week we have been working hard practising our play for our families to watch! We have been busy innovating our class story map where we changed the main character, villain and the setting. In Maths we have been practising things that we have previously found tricky. In History we summarised our learning about Windrush.

WHAT WE WILL BE DOING IN SCHOOL NEXT WEEK

- Nursery** We will be retelling the story 'Picnic' by John Burningham and when playing we will be creating our own imaginative journey and having pretend picnics. What would you take on a picnic? Where would you go? We will also be having a visit from a life guard who is going to talk about his job and water safety. We are looking forward to our Friday sing-a-long please come and join in.
- Reception** Next week, we will be continuing with our hot task writing of the 'Farmer Duck' story. In maths, we will be using the hundred square to count in 5's, noticing the number patterns. The children will also be looking in their learning folders and talking about the all of their amazing work that they have done throughout the year.
- Year 1**
 English: We will be writing reports on the Titanic for our Hot Task
 Maths: We will be revising our knowledge and understanding of numbers to 20
 Science: We will be completing flip books on the four seasons
 Computing: Writing and testing algorithms for a race in space or in the sea
 PSHE: Looking at strategies we can use to cope with change
- Year 2**
 Maths: We are continuing to practise any areas of Maths that we find challenging.
 English: We will be writing the story to go with our innovated story map.
 Topic: In Geography we will be summarising our learning about Jamaica.

HOMEWORK CHALLENGES

Please spend time with your child to explore this week's challenge. The teachers will talk to the children about what they have learnt at home every Friday.

Nursery:

Make your own 'people who help us' costume. What job would you like to do? You could make your costume by borrowing an adult's hat or shirt. You could write your name on a sticky label or piece of paper to make a name badge too. Pretend you are the person who is helping. What else would you need?

Reception:

Can you draw a design of what you would like your classroom in Year 1 to look like? Can you label the different areas?

Year 1:

Think about the questions about the Titanic;
 Q: What is RMS Titanic?
 Q: What did it look like?
 Q: What happened to Titanic?
 Q: Why do we learn about the history of Titanic?

Year 2:

Homework Challenge: Can you write down your favourite memory from Year 2? You can bring it in to share.
