Homework Challenge:

We love to see the children's homework challenge and the have an opportunity to share these for show and tell (no toys for show and tell).

Polite reminders

Please can we remind you that children must come to school wearing the correct uniform. Our PE days are Wednesdays and Fridays. Please can you ensure your child comes in on these days wearing the correct PE kit (please see the school website for more details). Please ensure that you assist your child in completing the homework challenge each week. Your child will be able to share any home learning they have completed. If you would like support or have any

English

We are going to be focussing on fiction and non-fiction text

Summer I- Peter Rabbit

Summer II- Non fiction report writing

Throughout these units we will be focussing on sentence structure, adjectives and adverbs of time.

Please don't tell the children the name of the text as some children might make predictions.

Important Dates:

Watford Football Club-

Monday 28th April

School Trip (Hertfordshire Zoo)- Wednesday 4th June

Titanic Day- TBC

End of year performance- TBC

Maths

Now that we are more secure with working with numbers to 10, we now begin to look at numbers beyond 10 and the place value of numbers to 20. We will continue to practise our adding, taking away and how to transfer known number facts to help us calculate other number sentences. We again will be ensuring all children have a good understanding of this number system and allowing them the continued opportunity to demonstrate this, through reasoning and proving their ideas and answers, orally and recorded. They must be able to explain how they calculated something and show it written down.

Ideas for Home: number bonds to 10, correct numeral writing, ordering

days of the week and months of the year, quick recall of 1 more and 1 less than a number

Values

April- Courage

May- Respect

June- Democracy

July- Reflection
