

## Year 2 Spring Term Curriculum Plan

English	Maths	Science	PSHE and RSE (Jigsaw)
<p style="text-align: center;"><b>Jack and the Beanstalk and Little Red Riding Hood</b></p> <div style="display: flex; justify-content: center; gap: 10px;">   </div> <p>The children will learn:</p> <ul style="list-style-type: none"> <li>to spell words with patterns and homophones</li> <li>to read all of the 1<sup>st</sup> 100 words &amp; most of the 200 High frequency words</li> <li>to know that adverbs tell us how a character is feeling e.g. sadly.</li> <li>to refer back to the text for evidence</li> <li>to sustain interest in longer texts</li> <li>to Identify words &amp; phrases that link texts</li> <li>to begin to identify an author's style</li> <li>to justify their views on a text using the word 'because' to explain their thinking</li> <li>to add the -ly suffix to words</li> <li>about different sentence types</li> <li>to use apostrophes for possession</li> <li>to use expanded noun phrases</li> <li>to make links to other similar stories</li> <li>to identify subordination and coordination sentences</li> <li>To use different phrasing of an opening and ending of stories to help set the scene</li> </ul>	<p style="text-align: center;"><b>Herts for Learning Essential Maths</b></p> <p style="text-align: center;">Favourite Colour</p>  <p>The children will learn:</p> <ul style="list-style-type: none"> <li>how to read tables and bar graphs</li> <li>to use written methods to solve addition problems</li> <li>about commutativity in addition</li> <li>to use written subtraction method to solve problems</li> <li>to solve mathematical words problems in addition and subtraction</li> <li>to tell the time to o' clock, half past, quarter past and to,</li> <li>to estimate and compare time</li> <li>to halve and double using money</li> <li>the times table (2, 3, 5 and 10 x) and use them to answer multiplication and division calculations</li> </ul>	<p style="text-align: center;"><b>Plants Materials</b></p> <div style="display: flex; justify-content: center; gap: 10px;">   </div> <p>The children will learn:</p> <p><u>Plants</u></p> <ul style="list-style-type: none"> <li>to describe how seeds &amp; bulbs grow into mature plants</li> <li>To describe how plants need water, light and a suitable temperature to grow &amp; stay healthy</li> <li>To begin to understand the requirements of plants for germination</li> <li>To begin to understand the process of reproduction and growth in plants</li> </ul> <p><u>Uses of Everyday Materials</u></p> <ul style="list-style-type: none"> <li>To identify and describe the uses of different everyday materials (wood, metal, plastic, glass, brick, rock, paper and cardboard)</li> <li>To identify and explain why the properties of materials make them suitable or unsuitable for a different purposes</li> <li>To find out how the shapes of solid objects made from some materials can be changed by squashing, bending, twisting and stretching</li> </ul> <p><i>Work scientifically by:</i></p> <ul style="list-style-type: none"> <li>test to show that plants need light and water to stay healthy</li> <li>comparing the uses of everyday materials in &amp; around the school with materials found in other places (at home or school visits)</li> </ul>	<p style="text-align: center;"><b>Jigsaw Scheme</b></p> <p style="text-align: center;"><b>Dreams and goals</b></p> <p style="text-align: center;"><b>Healthy Me</b></p> <div style="text-align: center;">  </div> <p>The children will learn:</p> <ul style="list-style-type: none"> <li>about achieving realistic goals</li> <li>about perseverance</li> <li>about their strengths</li> <li>that other people learn differently from them</li> <li>how to work part of a group and co-operate</li> <li>to have an increased awareness of how others feelings affect others and our own feelings/behaviours affect others</li> <li>how to contribute to success</li> <li>how to share success</li> <li>what motivates them</li> <li>about healthier choices</li> <li>the importance of relaxing</li> <li>about healthy eating and nutrition</li> <li>about healthier snacks</li> <li>about sharing food</li> </ul>

## Year 2 Spring Term Curriculum Plan

History	Geography	Art and Design	Design and Technology
<p style="text-align: center;"><b>Great Fire of London</b></p> <div style="display: flex; flex-direction: column; align-items: center;">   </div> <p>Children will learn:</p> <ul style="list-style-type: none"> <li>• to know the chronological events of the fire and how it started</li> <li>• to understand how we know the fire happened</li> <li>• to know why the fire spread quickly</li> <li>• to know what changes we have made today</li> <li>• to understand how the Great Fire of London has impacted us today</li> </ul>	<p style="text-align: center;"><b>Poles Apart!</b></p> <div style="display: flex; flex-direction: column; align-items: center;">   </div> <p>Children will learn:</p> <ul style="list-style-type: none"> <li>• to name and locate Antarctica and the Arctic on the map of the world (North and South Poles)</li> <li>• to identify features of Antarctica</li> <li>• to identify the location and features of the Arctic</li> <li>• to locate and identify features of the equator to describe climate and weather differences between the Poles and the Equator</li> </ul>	<p style="text-align: center;"><b>Drawing - Line and shape</b> <b>Olga Rozanova (1886 -1918)</b></p> <div style="display: flex; flex-direction: column; align-items: center;">  <p><b>Pablo Picasso – Spanish Artist (1868-1954)</b></p>  </div> <p>Children will learn:</p> <ul style="list-style-type: none"> <li>• to identify how other artists have used line, colour, texture, shape, pattern in their work</li> <li>• to draw geometric designs</li> <li>• to explore different drawing techniques (hatching, cross-hatching, smudge, stippling)</li> <li>• to draw lines of different shapes and thickness with increasing control and accuracy (horizontal, diagonal, vertical, zig-zag, wave, dotted, straight)</li> <li>• to add tone (light and dark) to a drawing</li> <li>• to create a piece of work in response to another artist's work</li> <li>• to select and use different mediums when drawing</li> </ul>	<p style="text-align: center;"><b>Mechanisms - Wheels and axles</b></p> <div style="display: flex; flex-direction: column; align-items: center;">  </div> <p>Children will learn:</p> <ul style="list-style-type: none"> <li>• to research different vehicles</li> <li>• how cars are made with the buyer in mind for e.g. speed, safety, use for safety</li> <li>• about the function of a chassis</li> <li>• how axles &amp; wheels work</li> <li>• to design a product for others following a design brief, using diagrams and mock ups</li> <li>• to select the appropriate materials and use the correct joining techniques for making the chassis, axles and wheels</li> <li>• health and Safety rules and risks whilst cutting and drilling and using different tools</li> <li>• to use the correct tools with safe techniques</li> <li>• to make mock ups of the vehicle and evaluate</li> <li>• to make changes to the design if needed to</li> </ul>

## Year 2 Spring Term Curriculum Plan

Physical Education	Religious Education	Music	Computing
<p style="text-align: center;"><b>Yoga and Fundamentals</b> <b>Tag rugby and basketball</b></p> <div style="display: flex; justify-content: space-around; align-items: center;">   </div> <p>Children will learn:</p> <ul style="list-style-type: none"> <li>• to copy and repeat yoga poses</li> <li>• to develop an awareness of strength and flexibility when completing yoga poses</li> <li>• to copy and remember actions linking them into a flow</li> <li>• to create a flow, perform and teach it to a partner</li> <li>• to explore how the body moves when running at different speeds</li> <li>• to develop changing direction and dodging</li> <li>• to develop balance, stability and landing safely</li> <li>• to explore and develop jumping, hopping and skipping actions</li> <li>• to develop co-ordination and combining jumps</li> <li>• to develop combination jumping and skipping in an individual rope</li> </ul> <p><u>Superstar Sports</u> <u>Tag rugby and basketball</u></p> <ul style="list-style-type: none"> <li>• To develop ball skills, such as dribbling &amp; different pass types that are used to play basketball &amp; tag rugby.</li> <li>• To participate in team games, developing simple tactics for attacking &amp; defending.</li> </ul>	<p style="text-align: center;"><b>How do we know what is right and wrong?</b> <b>Why is Passover important to Jews and Easter to Christians?</b></p> <div style="display: flex; justify-content: space-around; align-items: center;">   </div> <p>Children will learn:</p> <ul style="list-style-type: none"> <li>• where we get our ideas of right and wrong from</li> <li>• that the Ten Commandments are important to Jewish and Christian people</li> <li>• that the Bible talks importance of love for Christians</li> <li>• if there any rules that everyone should follow or obey and why</li> <li>• if there any special celebration days or times in their lives</li> <li>• what happens during Pesach and why is it important to Jewish people</li> <li>• What happens during Holy Week and why is it important to Christians people</li> <li>• Why all people share celebrations</li> </ul> <p><u>Celebration days:</u> Vaisakhi (Sikhism) Easter (Christian)</p>	<p style="text-align: center;"><b>Charanga Music Scheme</b> <b>Recorder</b></p> <div style="text-align: center;">  </div> <p>Children will learn:</p> <ul style="list-style-type: none"> <li>• to be able to hold a recorder correctly</li> <li>• to learn high and low notes on a recorder</li> <li>• to play a rhythm on a tuned instrument</li> <li>• to identify pitch in a piece of recorder music</li> <li>• to play the notes B, A, G, E and D on a recorder</li> <li>• to begin to follow notation</li> <li>• to play a tuned instrument</li> </ul>	<p style="text-align: center;"><b>Teach Computing Scheme</b> <b>Programming</b></p> <div style="text-align: center;">  </div> <p>Children will learn:</p> <ul style="list-style-type: none"> <li>• to explain what happens when we change the order of instructions</li> <li>• to predict the outcome of a program</li> <li>• to explain that programming projects can have code and artwork</li> <li>• to design an algorithm</li> <li>• to create &amp; debug a program that I have written</li> <li>• to explain that a sequence of commands has a start and an outcome</li> <li>• to create a program using a given design</li> <li>• to change a given design</li> <li>• to create a program using my own design</li> <li>• to decide how my project can be improved</li> </ul> <p><u>E-Safety</u></p> <ul style="list-style-type: none"> <li>• to explain how other people may look differently online and offline</li> <li>• to recognise issues online that might make someone feel sad, worried, uncomfortable or frightened</li> </ul>
